

2018 HORSE SHOW SCHEDULE

Below is a list of shows which we are considering attending this season. All shows are USEF and/or NEHC rated. Some may also be rated in Rhode Island, Massachusetts or Connecticut. Your prize lists and association schedule books will give you specific rating information.

I will make decisions regarding which shows we attend by the sign up sheets. If you have any questions about any of the show options, shows that do not appear on this list or which shows would be appropriate for you, please ask me! Please remember to sign up or we may forget to load your horse!
